

Our sessions are a wonderful introduction to the Montessori education, in a warm, relaxed environment where a parent or carer can share the experience with the child.

Each term is planned with a focus topic, and weekly sessions involve a variety of individual and group activities using the following Montessori areas;

- Sensorial *(focuses on their senses and enables children to begin problem solving)*
- Practical Life *(exercising and developing the child's fine motor skills)*
- Language and Literacy *(phonics and numeracy)*
- Art and Craft *(open ended craft experiences including drawing, painting, glueing etc)*
- Outdoor *(spacious play areas using age appropriate equipment and activities)*

Our Session Co-ordinator, Andrea, is a qualified Early Childhood teacher and has spent more than 20 years educating children with SA Montessori. With a warm and nurturing personality, and her energy and passion for working with the 1-3 year olds, she prides herself on the relationships she forms with both children and parents. This is evident in her ability to engage with the children during the sessions, and her communication with families in guiding their child through their early education journey and preparing them for pre-school. Andrea also works in the Cedars Preschool 2 days a week.

VENUE: Our sessions are held in our playgroup room at our sister centre Little Oxford Montessori, 18 Trimmer Terrace Unley

SESSION INFORMATION: Weekly sessions line with SA School terms. Enrolment essential. All sessions and enrolments are coordinated by Cedars Montessori
